### **Vocational Services-Veterans Programs**

**Homeless Veteran Reintegration Program (HVRP)/ Homeless Female Veterans and Veterans with Families (HFVWWF)**

**Veterans** have so much to offer as members of today's workforce. Being in the military provides you with experiences and training that directly contribute to a ***strong work ethic, loyalty, team work, leadership and dedication.*** These are assets in any workplace.

Easter Seals Vocational programs provide job training and employment opportunities for eligible veterans. Our goal is to help participants gain the skills and services necessary to obtain permanent employment, achieve economic independence and an improved lifestyle.
