

# FRINGE

Dear Residents and Merchants,

WARNER BROS TELEVISION is currently in production on a new television series called "Fringe."

**WARNER BROS TELEVISION**  
is scheduled to film in your area on  
**TUESDAY, MARCH 10, 2009**  
From approximately **7:00AM** until **10:00PM**

For purpose of staging scenes and parking production vehicles, Parking will be held in advance of filming on the following blocks:

- **WESTMINSTER RD between ALBEMARLE RD and CHURCH AVE (both sides)**
- **WESTMINSTER RD between CHURCH AVE and CATON AVE (West side)**
- **CHURCH AVE between E 11<sup>TH</sup> STREET and E 13<sup>TH</sup> STREET (both sides)**
- **CHURCH AVE between E 13<sup>TH</sup> STREET and E 14<sup>TH</sup> STREET (both sides)**

In order to alleviate holding parking spaces many days in advance of filming, we will follow the city program of utilizing the Vehicle Tow Unit (VTU) of the NYPD. We will post signs 48 hours in advance of relocation. Please read these signs carefully. They delineate when tow trucks will arrive to relocate cars that remain. There is no cost or penalty to owners of relocated cars. In the event that your car is relocated, contact one of the Parking Assistants or your local precinct. They will tell you where your car can be found. We urge you to pay attention to the signs to avoid any inconvenience. This is the same program that is used for parades and other public events throughout the city.

We understand that filming can be somewhat disruptive, and we appreciate your cooperation. If you have special needs such as deliveries, moving, traveling, or construction, please contact the locations department. As guests in your neighborhood, we will make every effort to be respectful of the daily routine of the community.

**TOW TRUCKS WILL ARRIVE:**  
**MONDAY, MARCH 9, 2009 at 8:00PM**

Please note that we work in conjunction with the New York City Mayor's Office for Film, Theater, and Broadcasting and the New York City Police Department. We have obtained the necessary permits for filming and we are a fully insured company.

Please feel free to contact the Locations department @ [718-906-3300](tel:718-906-3300) with any questions or concerns, or you can visit one of us on site when we are filming.
