

## Let's Talk About Trash: "Waste" a little time with us!

The BKSAB is a volunteer organization that reports to Bk BP Reynoso on all issues of waste management in our borough. We want to hear your community's specific concerns and suggestions around sanitation and the environment so we can advocate for the needs of Brooklyn. We held our first event that was attended by a number of Community Boards in June where we covered a variety of issues that concerned our fellow Brooklynites. We missed you at this first discussion and hope you can join us for our next one coming up later this month!

By your participation, all voices in our diverse borough will be represented in this discussion. This collaborative event offers a platform for all neighborhoods to listen and learn from each other.

Join the BKSAB and BP Reynoso on **Thursday, October 27, 2022 from 6:30pm-8pm** via Zoom. Please register at:

We welcome any interested members of your Community Board to participate in this discussion.

If you have any questions, please do let us know.

Best regards,  
The Brooklyn Solid Waste Advisory Board (BKSAB)
