

# BROOKLYN COMMUNITY BOARD 14 BUDGET RECOMMENDATIONS FISCAL YEAR 2024 (July 1, 2023 – June 30, 2024)

Dear Community Resident:

Each year, in accordance with the New York City Charter, all 59 NYC Community Boards are required to submit recommendations for NYC’s capital and expense budgets for the upcoming fiscal year. Community members are invited to participate in the budget process by suggesting a **new city service** or **capital project**.

Note, a capital project generally has a value of \$35,000 and a “useful life” of at least five years. Requests for ongoing programs and regular city services such as street signs, building inspections, parks maintenance, road repair or tree pruning, for example, should be directed to the Community Board office as a routine service delivery request. However, if the suggested budget item is for a new program, service, or capital project, please provide the information requested below. For a full list of budget requests submitted to the City for this past fiscal year, please see CB14’s District Needs Statement on our website: [www.cb14brooklyn.com](http://www.cb14brooklyn.com).

Recommendations must be received no later than **Friday, November 11, 2022** to be considered at Community Board 14’s public hearing on community budget recommendations for fiscal year 2024, which will take place on Monday, November 14, 2022 at 6:30 PM, location TBA.
